

Continuum Seats

The System

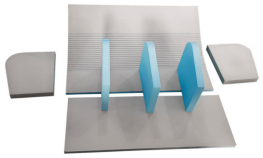

Advanced ergonomics and seamless design for your wellness area. Transform any shower into a bespoke wellness retreat. Factory-manufactured for precision, wall-mounted, and finished with a fully waterproof core that eliminates the cold-plate effect of traditional stone seating.

OVAL

EDGE

MATERIAL SAMPLES

01

Seamless Aesthetics

Blends flawlessly into the bathroom architecture when clad with matching wall tile, stone, or SPC.

02

Thermal Comfort

Made with 30mm reinforced XPS, retaining ambient warmth for true ergonomic comfort.

03

Absolute Protection

A fully waterproof core, highly resistant to fungal and biological degradation.

04

Flexible Installation

Wall-mounted on 6 supports per seat, requiring no floor support, with width cut to size on site.

FINISH

Designed for cladding with ceramic tile, porcelain tile, natural stone, or SPC.

STRONG

Made with 30mm reinforced XPS and 6 supports per seat.

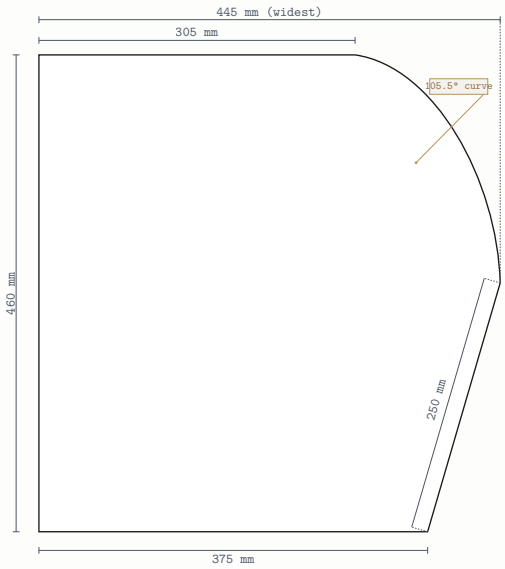

IDEAL APPLICATIONS

Residential spas, steam rooms, boutique wetrooms, and invisible accessible design projects.
